Central Health Medicare Plan

Dental Directory

This directory provides a list of DeltaCare USA’s network providers. This directory is for Southern California network providers in Los Angeles County, Orange County, and San Bernardino County.

This directory is current as of August 1, 2014. Some network providers may have been added or removed from the network after this directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about DeltaCare USA’s network providers in your area, you can visit www.deltadentalins.com or call Delta Dental Customer Service Department at 1-866-247-2486, Monday through Friday, 5:00 A.M. to 6:00 P.M. (PT). TTY/TDD users should call 1-800-735-2929.

Central Health Medi-Medi Plan (HMO SNP) and Central Health Focus Plan (HMO SNP) have been approved by the National Committee for Quality Assurance (NCQA) to operate as a Special Needs Plan (SNP) until 2017 based on a review of Central Health Medi-Medi Plan (HMO SNP) and Central Health Focus Plan (HMO SNP) Model of Care.

Central Health Medi-Medi Plan (HMO SNP) is available to anyone who has both Medical Assistance from the State and Medicare.

Central Health Focus Plan (HMO SNP) is available to anyone with Medicare who has been diagnosed with Diabetes Mellitus.

This document may be available in an alternate format such as Braille, larger print or audio by Central Health Plan.

Central Health Plan of California is an HMO plan with a Medicare contract and a contract with the California Medicaid program. Enrollment in Central Health Plan of California depends on contract renewal.

Section 1 – Introduction
This directory provides a list of DeltaCare USA’s network providers.

Your dental coverage is provided by Delta Dental, a contracted dental carrier for Central Health Medicare Plan. The dental plan you are enrolled in is DeltaCare USA. You have to choose one of the network providers in the DeltaCare USA network to be your Contract Dentist. You must get your dental coverage from your Contract Dentist. If you require treatment from a specialist, your Contract Dentist will handle the referral for you.

Dental services that are not performed by your Contract Dentist, or are not covered under emergency care, must be pre-authorized by Delta Dental to be covered by DeltaCare USA. You are covered for out-of-network dental emergencies, up to $100 of dental expenses per emergency.

The “network providers” listed in this directory have agreed to provide you with your dental coverage. You may choose one of the network providers listed in this directory to be your Contract Dentist; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. You may change your Contract Dentist by contacting Delta Dental Customer Service prior to the 21st of the month, and the change will take effect the first day of the following month.

How to get covered services when you have an emergency?
If emergency services are needed, you should contact your Contract Dentist whenever possible. Benefits for emergency services by providers other than your assigned Contract Dentist are limited to palliative relief when you:

1. have made a reasonable attempt to contact the Contract Dentist and the Contract Dentist is unavailable or you cannot be seen within 24 hours of making contact; or
2. have made a reasonable attempt to contact Delta Dental prior to receiving emergency services, or it is reasonable for you to access emergency services without prior contact with Delta Dental; or
3. reasonably believe that your condition makes it dentally/medically inappropriate to travel to the Contract Dentist to receive emergency services.

Benefits for emergency services not provided by the Contract Dentist are limited to a maximum of $100.00 per emergency, less the applicable copayment. If the maximum is exceeded, or the above conditions are not met, you are responsible for any charges for services by a provider other than your Contract Dentist.

You must use plan providers except in emergency situations. If you obtain routine care from out-of-network providers neither Medicare nor Central Health Medicare Plan will be responsible for the costs.
How do you find DeltaCare USA providers in your area?
The dental providers in this directory are organized alphabetically by the cities where they reside, and further listed in alphabetical order by first name or name of the dental office within each city. By looking up the city in which you reside, you will be able to find the dental providers in your area.

If you have questions about DeltaCare USA, please call our Customer Service Department at 1-866-247-2486, Monday through Friday, 5:00 A.M. to 6:00 P.M. (PST). TTY/TDD users should call 1-800-735-2929. Or, visit www.deltadentalins.com.

**LANGUAGE ASSISTANCE:** Language capabilities are self-reported by the individual dental facilities and not independently verified by Delta Dental. If an enrollee requires language assistance to enable communication in a dental setting, Delta Dental will arrange for professional services through a certified interpretation vendor at no cost to the enrollee.

Additional Dental Offices will be added as required. You may call our Customer Service department at 866-247-2486 for updates to the provider list. If any office is closed to further enrollment, Delta Dental reserves the right to assign you another dental office as close to your home as possible.

*In California, DeltaCare USA is underwritten by Delta Dental of California and administered by Delta Dental Insurance Company.*

**NOTE:** Contact the provider before making your choice if you have scheduling problems or small children.
