Your health is Central to everything we do.

In 2004, Central Health Medicare Plan was founded by doctors looking for solutions to provide better, more affordable healthcare to the diverse members they served. Today it continues to be our mission to provide the highest standards of excellence in healthcare, and we will continue to put the needs of our members first. Thank you for considering Central Health Medicare Plan!

Who can join?

To join our plan, you must be entitled to Medicare Part A and Part B, be a United States citizen or are lawfully present in the United States, and live in our service area. Our service area includes the following county in California: Ventura county.

To join Central Health Ventura Medi-Medi Plan (HMO D-SNP) (009), you must also have Medi-Cal.

How do I enroll?

You have several options to enroll:

1. Enroll through a licensed agent. If you would like to meet with a licensed insurance agent who can explain our benefits to you in person before you enroll, please call us at 1-866-314-2427 (TTY: 711) to request a free appointment. There is no obligation to enroll. If you choose to enroll, your agent will help you submit the enrollment application.
2. Enroll by fax or mail. Fill out the Enrollment Application and fax to 626-388-2371 or mail to: Central Health Medicare Plan, Attn: Enrollment Department, 1540 Bridgegate Dr, Diamond Bar CA 91765.
3. Enroll online. Visit www.centralhealthplan.com to enroll online. You can also enroll through www.medicare.gov.

Which doctors, hospitals, and pharmacies can I use?

Central Health has a network of doctors, hospitals, pharmacies, and other providers. When you join our plan, you must select a primary care physician (PCP) and medical group. Your PCP will coordinate your care when you need to see specialists within your medical group, or other providers. Except in cases of emergency, if you use a provider or pharmacy that is not in our network, the plan may not pay for these services. Visit www.centralhealthplan.com to search for a provider or pharmacy.

FREQUENTLY ASKED QUESTIONS

Are my Part D prescription drugs covered?

You can search the drug formulary on the plan website or contact Member Services to find out if your drug is covered. The formulary will also tell you whether a covered drug has any restrictions. If a drug you need is not covered, you can ask your doctor to switch you to a comparable drug on our formulary or contact us to request an exception. All exceptions require medical notes to justify the request. For more information about requesting an exception, please contact Member Services.

How much will I pay for Part D prescription drugs?

The Part D drugs we cover are grouped into six different tiers. Check the formulary or contact Member Services to find out which tier your drug is on. The amount you pay depends on the drug's tier, the number of days' supply, the benefit stage you have reached, whether you are using a network pharmacy, the type of pharmacy you use (e.g., retail, mail order, long term care, home infusion), and whether you qualify for Extra Help.

What is Part D “Extra Help”?

Medicare provides Extra Help (also referred to as Low Income Subsidy or “LIS”) to pay prescription drug costs for people who have limited income and resources. Extra Help can assist with Part D premiums, deductibles, copayments, and coinsurance. Some people qualify for Extra Help automatically and do not need to apply. To find out if you are eligible, contact the Social Security Office at 1-800-772-1213 or TTY users call 1-800-325-0778, Monday through Friday from 7:00 AM to 7:00 PM.

How does coverage work for people with Medicare and Medi-Cal?

If you have both Medicare and Medi-Cal, Central Health will cover all benefits that are covered under Medicare, which includes most of your medical services and prescription drugs. Medi-Cal may help with some or all of your Medicare cost-sharing depending on your Medi-Cal eligibility category, and may cover some services that are not covered by Medicare. Remember to show your Medi-Cal card in addition to your Central Health member ID card when you visit providers. Providers should not bill you for any coinsurance or copay for Medicare-covered services (regardless of whether the provider is contracted with Medi-Cal).

Where can I find more information?

Member Services can help answer any questions you have about eligibility and benefits. Please call 1-866-314-2427 from 8:00 AM to 8:00 PM (PT), 7 days a week. TTY users should call 711. This Summary of Benefits is a summary of what we cover and what you pay. It does not list every service that we cover or list every limitation or exclusion.
